📒 PYP Workbook

Year 2 · Ages 6–7

Six transdisciplinary themes · Tuning In · Finding Out · Sorting Out · Taking Action · Reflection · Exit Cards

Name: _____

Class: _____

School: _____

Aligned with the IB PYP framework. Independent teacher resource, not official IB material.
Part of Letter Adventure – PYP Edition (Years 1–4).

👩‍🏫 Teacher Notes · Year 2

Learner focus (Ages 6–7): Short sentences and simple reasons.

How to use this workbook. Each theme follows the inquiry cycle: **1 Tuning In** (provocation, See–Think–Wonder, curiosity questions) → **2 Finding Out** (picture words, sorting, true/false, sequencing, counting, draw and label, think and write) → **3 Sorting Out** (graphic organiser and the big idea) → **4 Taking Action** (a small real action at home or school) → **5 Reflection** (I used to think… now I think…, feelings, learner profile) → **6 Exit Card** (3-2-1, quick checks, confidence rating; three different cut-out versions). The interactive app version reshuffles questions every time (🔀 New questions) and saves exit-card results per student for the teacher dashboard. Read every prompt aloud for English learners; accept drawn, spoken or written answers.

Theme and unit	Central idea	Key concepts	Teaching notes and assessment
💪 **Who We Are** Healthy Me: Food, Exercise and Friendship	The choices we make about food, exercise, rest and friendship affect our wellbeing.	Form, Causation, Responsibility	Keep a one-week class food and activity diary with pictures and tallies. Invite the PE teacher to lead a heartbeat investigation (before and after running). Role-play friendship problems and practise the four-step solution. Assessment: children plan a balanced lunchbox and explain two healthy choices.
🗺️ **Where We Are in Place and Time** My Community: Places and Maps	Communities have places that meet people's needs, and maps help us find our way.	Function, Form, Change	Do a school walk and build a class map with symbols and a key. Use a simple compass or a compass app outside to find north. Compare old and new photos of Doha (Corniche, Souq Waqif, West Bay). Assessment: children read a simple map, use a key and give two directions.

📚 **How We Express Ourselves** Folktales and Fables from Around the World	Folktales and fables from different cultures share lessons and values.	Form, Connection, Perspective	Collect family folktales: send home a story sheet in English and home languages. Compare a Juha (Goha) tale with an Aesop fable using a Venn diagram. Use story bags and puppets for oral retelling before writing. Assessment: children identify character, setting, problem and lesson in a new fable.
🧪 **How the World Works** Materials All Around Us	Materials have properties that make them useful for different jobs.	Form, Function, Change	Run the teddy umbrella fair test: keep the water amount and teddy the same. Make a float/sink prediction chart before testing in a water tray. Visit a heritage house (e.g. Msheireb museums) to see coral stone and gypsum walls. Assessment: children name materials, give two properties and explain one choice.
🚜 **How We Organize Ourselves** From Farm to Table	Food travels through a system of people and jobs before it reaches our table.	Connection, Function, Responsibility	Trace one food (bread or milk) with a class flow chart on the wall. Visit a local farm, a greenhouse or the vegetable market (Al Mazrouah yard) if possible. Run a pretend market with price tags to 20 riyals. Assessment: children order the steps of a food journey and name three jobs.
🐫 **Sharing the Planet** Animal Habitats	Animals live in habitats that give them what they need, and their bodies are suited to where they live.	Form, Function, Responsibility	Set up four habitat corners with books, pictures and toy animals. Learn about Qatar's sea turtles (Fuwairit beach) and dugongs in the Gulf. Children make an animal fact file: habitat, food, body features, one fact. Assessment: children match animals to habitats and explain one body feature.

Aligned with the IB PYP framework. Independent teacher resource, not official IB material.

💪 Who We Are: Healthy Me: Food, Exercise and Friendship

Our big idea: My choices about food, exercise, sleep and friends help me feel well.
Central idea: The choices we make about food, exercise, rest and friendship affect our wellbeing.

Lines of inquiry

1. What a balanced diet looks like (form)
2. How exercise and rest change our bodies (causation)
3. How good friendships help us feel well (responsibility)

Key concepts: Form · Causation · Responsibility
Related concepts: Wellbeing · Balance · Relationships
Learner profile: Balanced · Caring · Reflective

Approaches to learning: Self-management: making healthy choices · Social: solving a friendship problem · Research: keeping a food diary

1 👀 Tuning In: Two Lunchboxes

Show two lunchboxes. One has water, bread, cheese, fruit and carrots. One has chips, sweets and soda. Then children run on the spot for one minute and feel their heartbeat.
Teacher prompt: Ask: Which lunchbox gives more energy for the whole day? Why? What happened to your heart when you ran?

See – Think – Wonder 🥗🏊😴 vs 🍟📺🌙

👀 What do you see each child doing?	💭 Which child will feel better tomorrow? Why?	🤔 What do you wonder about staying healthy?
I see...	I think...	I wonder...

❓ Curiosity questions: tick the ones you wonder about too

- [ ] Why does my heart beat faster when I run?
- [ ] What happens to food inside my body?
- [ ] Why do I need to drink water?
- [ ] How much sleep does a child need?
- [ ] Why do some foods give us more energy?
- [ ] How can exercise make me happy?
- [ ] What makes a good friend?
- [ ] What can I do when I fall out with a friend?
- [ ] Why do my muscles feel tired after sport?
- [ ] Why is too much screen time not good?

💬 My own question

Starters: I wonder why… · I wonder how… · What if…? · How do we know…?

---

2 🔍 Finding Out: picture words

⚡ **energy** Healthy food gives me energy to play.	🏃 **exercise** I exercise for one hour every day.	💪 **muscle** Exercise makes my muscles strong.	🥦 **vegetable** I eat a vegetable at every meal.
🥚 **protein** Eggs, fish and beans have protein.	⚖️ **balanced** A balanced meal has different food groups.	🛋️ **rest** My body needs rest after sport.	🤝 **friend** A good friend is kind and fair.
🦠 **germs** Washing hands stops germs from spreading.	💓 **heartbeat** My heartbeat gets faster when I run.	🚰 **hydrate** We hydrate by drinking water on hot days.	📱 **screen time** Too much screen time can make me tired.

🧺 Sort it: Does this give my body energy that lasts, or a quick sugar rush?

Write or draw each item in the right column.

🫘 beans · 🥚 eggs · 🍭 lollipop · 🍪 cookies · 🧁 cupcake · 🍫 chocolate bar · 🍚 rice · 🍞 brown bread · 🍬 jelly sweets · 🥜 nuts

🔋 Lasting energy	⚡ Quick sugar rush

👍 True or false? Circle one.

💪 Exercise makes my heart and muscles stronger.	True	False
🍬 Sweets give energy that lasts all day.	True	False
😴 Children need about ten hours of sleep.	True	False
💧 Water helps my body work well.	True	False
🤷 A good friend leaves you out of games.	True	False
🤧 Germs can spread when we sneeze.	True	False
🍞 We should only eat one food group.	True	False
🗣️ Feeling worried is something we can talk about.	True	False

🔢 Put in order: Make a healthy wrap. Number the boxes.

☐ 🫓 Lay out the bread

☐ 🥗 Add chicken and salad

☐ 🧼 Wash hands

☐ 🌯 Roll and eat

🔎 Count and observe

How many carrots?

Answer: ☐

How many apples?

Answer: ☐

🖍️ Draw and label: Draw a healthy lunchbox. Label each food group.

Word bank: fruit | vegetables | grains | protein | dairy | water

✍️ Think and write

Why is water better than a fizzy drink? Give one reason.

What makes a good friend? Name two things.

3 🧩 Sorting Out: Food Groups Plate

Choose a food. Then write it under its food group.

🍊 orange · 🥒 cucumber · 🍚 rice · 🍝 pasta · 🍗 chicken · 🫘 lentils · 🥣 yoghurt · 🧀 cheese · 🥛 laban drink

🥦 Fruit & Veg	🍞 Grains	🍗 Protein	🥛 Dairy

💡 The big idea in my own words

4 🤝 Taking Action: My Healthy Habit Challenge

- [ ] 🍱 Bring a balanced lunchbox for five days.
- [ ] 🚴 Do 20 minutes of active play after school.
- [ ] 💧 Swap one fizzy drink for water each day.
- [ ] 🤝 Ask a lonely child to play with me.
- [ ] 📵 Turn off screens one hour before bed.
- [ ] 🖍️ Make a healthy snack poster for the canteen.

My plan: I will…

_____

_____

Where? ☐ 🏠 Home ☐ 🏫 School ☐ 🌳 Community

Draw yourself taking action.

🏠 **Home link:** Plan one balanced family meal together. Which food groups are on the plate?

5 🪞 Reflection

Example: I used to think… healthy means only eating vegetables. Now I think… healthy means balance: food, exercise, sleep and friends.

⬅️ I used to think…

➡️ Now I think…

How do I feel about this unit? Circle one.

What helped me learn? Tick.

- ☐ 🖼️ Pictures
- ☐ 👫 Friends
- ☐ 👩‍🏫 Teacher
- ☐ 📚 Books
- ☐ 🙋 Asking questions
- ☐ ✋ Trying myself
- ☐ 🎵 Songs
- ☐ 🔊 Listening

🌟 Learner profile check

Attribute	🌱 Not yet	🌿 Sometimes	🌳 Yes, I did!
🧘 **Balanced**: I rest, play and learn.			
💛 **Caring**: I help and care for others.			
🪞 **Reflective**: I think about my learning.			

I showed this when I…

6 🎟️ Exit Cards: cut out and hand in (three versions)

✂ - - -

🗺️ Where We Are in Place and Time: My Community: Places and Maps

Our big idea: My community has places that help people. Maps help me find them.
Central idea: Communities have places that meet people's needs, and maps help us find our way.

Lines of inquiry

1. Places in our community and what they are for (function)
2. How maps and symbols show where things are (form)
3. How our community has changed over time (change)

Key concepts: Function · Form · Change
Related concepts: Location · Community · Navigation
Learner profile: Inquirers · Thinkers · Communicators

Approaches to learning: Thinking: reading a simple map · Research: walking survey of the school area · Communication: giving directions

1 👀 Tuning In: The Lost Visitor

A toy visitor arrives with a note: I am lost! I need a doctor, a park and a supermarket. Show a simple map of a neighbourhood with symbols.
Teacher prompt: Ask: How can we help the visitor? What does each symbol mean? Which way should the visitor walk?

See – Think – Wonder 🗺️ 📍 ➡️ 🏥

👀 What do you see on the map?	💭 What do you think the symbols mean?	🤔 What do you wonder about maps and places?
I see...	I think...	I wonder...

❓ Curiosity questions: tick the ones you wonder about too

- [ ] Why do maps use symbols?
- [ ] How did people find their way before phones?
- [ ] Why are hospitals in different places?
- [ ] What would my community need if it grew bigger?
- [ ] Why do some streets have names and numbers?
- [ ] How do sailors use the stars?
- [ ] What did Doha look like 50 years ago?
- [ ] Why is the park important?
- [ ] Who decides where to build a new school?
- [ ] What does a compass do?

💬 My own question

Starters: I wonder why… · I wonder how… · What if…? · How do we know…?

---

2 🔍 Finding Out: picture words

map

A map is a drawing of a place from above.

symbol

A symbol is a small picture on a map.

key

The key tells us what each symbol means.

hospital

We go to the hospital when we are very sick.

mosque

People pray at the mosque.

supermarket

We buy food at the supermarket.

park

We play and relax at the park.

road

Cars drive on the road.

left

Turn left at the mosque.

right

Turn right at the park.

compass

A compass shows north, south, east and west.

neighbour

My neighbour lives next door.

🧺 Sort it: Is this place mostly for needs or for fun and free time?

Write or draw each item in the right column.

🚒 fire station · 🏫 school · 🎡 theme park · 🏖️ beach · 🦒 zoo · 🛝 playground · 🛒 supermarket · 🏥 hospital · 🏟️ football stadium · 💊 pharmacy

🏥 Meets needs	🎡 Fun and free time

👍 True or false? Circle one.

🗺️ A map shows a place from above.	True	False
🔑 The map key explains the symbols.	True	False
🏘️ Every community looks exactly the same.	True	False
🧭 A compass can show us which way is north.	True	False
🏙️ Doha has not changed in 50 years.	True	False
💊 A pharmacy sells medicine.	True	False
🏴‍☠️ Maps are only for pirates.	True	False
⭐ Long ago, sailors used the stars to find their way.	True	False

🔢 Put in order: Walk to the park. Number the boxes.

☐ 🕌 Turn left at the mosque

☐ 🚸 Cross at the crossing

☐ 🏠 Leave home

☐ 🏞️ Arrive at the park

🔎 Count and observe

How many houses are on the street?

Answer: ☐

How many trees are in the park?

Answer: ☐

🖍️ Draw and label: Draw a map of your way to school. Add symbols and a key.

Word bank: home | school | road | mosque | park | shop | key

✍️ Think and write

Which place in your community is most important? Why?

How would you explain the way from class to the library?

3 🧩 Sorting Out: Community Places Chart

Choose a person's need. Then write it under the place that helps.

🤒 I have a fever | 💊 I need medicine | 🍞 We need bread | 🍇 We need fruit

📚 I want to read | ➕ I want to learn maths | 🔥 There is a fire | 🧭 I am lost

🏥 Health	🛒 Food	🏫 Learning	🚓 Safety

💡 The big idea in my own words

4 🤝 Taking Action: Community Map Makers

- [ ] 🗺️ Make a map of our school for new students.
- [ ] 🚶 Walk around my area with family and draw a map.
- [ ] 👵 Ask an older person how my area has changed.
- [ ] ➡️ Give a friend directions using left and right.
- [ ] 💌 Thank a community helper at a local place.
- [ ] 💡 Suggest a new place our community needs.

My plan: I will…

_____

_____

Where? ☐ 🏠 Home ☐ 🏫 School ☐ 🌳 Community

Draw yourself taking action.

🏠 **Home link:** Walk around your area with your family. Find three places that help people.

5 🪞 Reflection

Example: I used to think… a map is just a picture. Now I think… a map uses symbols and a key to help people find places.

⬅️ I used to think…

➡️ Now I think…

How do I feel about this unit? Circle one.

📚 How We Express Ourselves: Folktales and Fables from Around the World

Our big idea: Stories from many cultures teach us lessons about how to live.
Central idea: Folktales and fables from different cultures share lessons and values.

Lines of inquiry

1. The parts of a story: characters, setting and problem (form)
2. Lessons and values in fables and folktales (connection)
3. How stories from different cultures are alike and different (perspective)

Key concepts: Form · Connection · Perspective
Related concepts: Values · Culture · Storytelling
Learner profile: Communicators · Open-minded · Principled

Approaches to learning: Communication: retelling with story language · Thinking: finding the lesson · Social: acting out a story in a group

1 👀 Tuning In: The Storyteller's Chair

A special chair holds a scarf, a toy tortoise, a toy hare and a donkey. Tell the fable of the Tortoise and the Hare, and a Juha (Goha) story from the Arab world.
Teacher prompt: Ask: What did the characters learn? Have you heard a story like this from your family or culture?

See – Think – Wonder 🐢 🏁 🐇 💤

👀 What do you see in this race?	💭 What do you think will happen? Why?	🤔 What do you wonder about this story?
I see...	I think...	I wonder...

❓ Curiosity questions: tick the ones you wonder about too

- [ ] Why do so many fables have talking animals?
- [ ] Who wrote the first stories?
- [ ] Why do stories have a problem?
- [ ] What stories did my grandparents tell me?
- [ ] Why is Juha so funny?
- [ ] How do stories teach us to be good?
- [ ] Are the same stories told in different countries?
- [ ] Why do stories begin with Once upon a time?
- [ ] How can I change the ending of a story?
- [ ] Why are some characters tricky, like the fox?

💬 My own question

Starters: I wonder why… · I wonder how… · What if…? · How do we know…?

---

2 🔍 Finding Out: picture words

character

The fox is a tricky character.

setting

The setting is where the story happens.

problem

Every story has a problem to solve.

solution

The solution fixes the problem.

fable

A fable is a short story with a lesson.

folktale

A folktale is an old story from a culture.

lesson

The lesson is: slow and steady wins the race.

hero

The hero is brave and helps others.

brave

The brave girl climbed the mountain.

clever

Juha found a clever answer.

greedy

The greedy man wanted all the gold.

honest

The honest boy told the truth.

🧺 Sort it: Is this a character or a setting?

Write or draw each item in the right column.

🦊 a fox · 🧌 a giant · 🌲 a forest · 🌊 the sea · 🏘️ a village · 🏜️ the desert · 👸 a princess · 🐢 a tortoise · 🛍️ a market (souq) · 🎣 a fisherman

🧑 Character (who)	🏝️ Setting (where)

👍 True or false? Circle one.

🎓 A fable often has a lesson at the end.	True	False
🌲 The setting is who is in the story.	True	False
🐢 In the fable, the tortoise wins the race.	True	False
🌍 Folktales are only from one country.	True	False
🫏 Juha stories come from the Arab world.	True	False
❗ Every story needs a problem.	True	False
🤑 A greedy character always shares.	True	False
🗣️ Long ago, people told stories out loud.	True	False

🔢 Put in order: The Tortoise and the Hare. Number the boxes.

☐ 🏁 They start a race

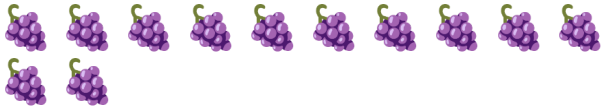

☐ 💤 The hare stops to sleep

☐ 🐇 The hare laughs at the slow tortoise

☐ 🐢 The tortoise wins

🔎 Count and observe

How many grapes are on the vine?

Answer: ☐

How many sheep?

Answer: ☐

🖍️ Draw and label: Draw your favourite story character in its setting. Label it.

Word bank: character | setting | problem | hero | home | friend

✍️ Think and write

What lesson did the hare learn? Why?

Who is your favourite character? Why?

3 🧩 Sorting Out: Story Mountain

Choose a story part. Then write it under where it goes on the story mountain.

🏖️ A boy lives by the sea | 📖 Once upon a time… | ⛈️ A storm breaks his boat | 😨 He is lost and scared | 🐬 A dolphin shows him the way | 🔨 He fixes the boat | 🏠 He gets home safely | 💙 He thanks the dolphin

🌅 Beginning	⛰️ Problem	💡 Solution	🏁 Ending

💡 The big idea in my own words

4 🤝 Taking Action: Story Sharers

- [ ] 👴 Ask my family for a story from our culture and retell it.
- [ ] 🎭 Act out a fable with friends.
- [ ] 📖 Read a story to a younger child.
- [ ] 📚 Make a class book of family folktales.
- [ ] ✏️ Write a new ending for a fable.
- [ ] 🧸 Make puppets to tell a story.

My plan: I will...

Where? ☐ 🏠 Home ☐ 🏫 School ☐ 🌳 Community

Draw yourself taking action.

🏠 **Home link:** Ask someone at home: What story did you love as a child? What was the lesson?

5 🪞 Reflection

Example: I used to think… stories are just for fun. Now I think… stories teach lessons and share culture.

⬅️ I used to think…

➡️ Now I think…

How do I feel about this unit? Circle one.

😀 🤩 😮 🤔 😐 ☹️

What helped me learn? Tick.

✂ - - -

🧪 How the World Works: Materials All Around Us

Our big idea: Things are made of materials. Each material is good for different jobs.
Central idea: Materials have properties that make them useful for different jobs.

Lines of inquiry

1. Common materials and where they come from (form)
2. Properties of materials: hard, soft, waterproof, see-through (function)
3. How materials can change when we heat, cool or bend them (change)

Key concepts: Form · Function · Change
Related concepts: Properties · Investigation · Design
Learner profile: Inquirers · Thinkers · Risk-takers

Approaches to learning: Research: testing materials fairly · Thinking: predicting and checking · Self-management: working safely

1 👀 Tuning In: The Leaky Umbrella

A teddy needs an umbrella. Children test paper, foil, plastic and fabric with a spray bottle of water. Which one keeps teddy dry?
Teacher prompt: Ask: What do you predict? Why? How can we make the test fair? What did we find out?

See – Think – Wonder 🧊➡️💧🍫➡️🫠

👀 What do you see happening?	💭 What do you think made it change?	🤔 What do you wonder about materials?
I see...	I think...	I wonder...

❓ Curiosity questions: tick the ones you wonder about too

- [ ] Why is glass see-through?
- [ ] How is paper made from trees?
- [ ] Why do boats float but stones sink?
- [ ] What happens to chocolate in the sun?
- [ ] Why are windows not made of wood?
- [ ] Which material is the strongest?
- [ ] How is plastic made?
- [ ] Why do metal spoons get hot in soup?
- [ ] Can we turn old things into new things?
- [ ] Why are old Qatari houses made of coral stone?

💬 My own question

Starters: I wonder why... · I wonder how... · What if...? · How do we know...?

---

2 🔍 Finding Out: picture words

wood

Wood comes from trees.

metal

This spoon is made of metal.

plastic

The bottle is made of plastic.

glass

Glass is hard and see-through.

fabric

My clothes are made of fabric.

paper

Paper tears easily.

waterproof

A raincoat is waterproof.

flexible

Rubber is flexible. It can bend.

transparent

Transparent means you can see through it.

melt

Ice melts in the hot sun.

float

Wood can float on water.

sink

A stone will sink in water.

🧺 Sort it: Will it float or sink in water?

Write or draw each item in the right column.

🍃 leaf · 🦆 plastic duck · 🪨 stone · 🔮 marble · 🥄 spoon · 🪙 coin · 🪵 wooden block · 🍾 cork · 🔩 nail · 🧽 sponge

🛟 Floats	⚓ Sinks

👍 True or false? Circle one.

🪟 Glass is transparent.	True	False
📄 Paper is waterproof.	True	False
🌳 Wood comes from trees.	True	False
🧊 Ice melts when it gets warm.	True	False
🔑 A metal key floats on water.	True	False
🪢 Rubber is flexible.	True	False
🧱 All materials are hard.	True	False
♻️ Plastic can be recycled.	True	False

🔢 Put in order: From tree to paper. Number the boxes.

☐ 🪵 Make wood chips

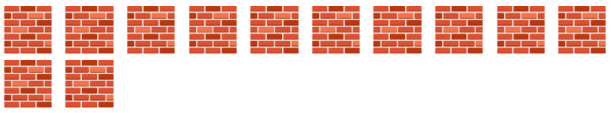

☐ 🥣 Mash into pulp

☐ 🌳 Cut the tree

☐ 📄 Press and dry paper

🔎 Count and observe

How many bricks?

Answer: ☐

How many metal spoons?

Answer: ☐

🖍️ Draw and label: Draw a house. Label the material of each part.

Word bank: glass | wood | metal | brick | fabric | plastic | stone

✍️ Think and write

Why is a cup not made of paper? Give a reason.

Which material would you use for a boat? Why?

3 🧩 Sorting Out: Material Detectives

Choose an object. Then write it under the material it is made of.

🪑 chair · ✏️ pencil · 🔑 key · 🍳 pan · 🪟 window · 🫙 jar · 👕 T-shirt · 🧣 scarf

🪵 Wood	🔩 Metal	🪟 Glass	🧵 Fabric

💡 The big idea in my own words

4 🤝 Taking Action: Material Makers

- [ ] 🎩 Design a waterproof hat for a toy.
- [ ] ♻️ Sort the class recycling by material.
- [ ] 📦 Make a toy from old boxes and bottles.
- [ ] 🔍 Find five materials at home and test them.
- [ ] ⛵ Build a boat that floats with coins.
- [ ] 🗑️ Teach my family which bin each material goes in.

My plan: I will…

Where? ☐ 🏠 Home ☐ 🏫 School ☐ 🌳 Community

Draw yourself taking action.

🏠 **Home link:** Go on a material hunt at home. Find something wood, metal, glass and fabric.

5 🪞 Reflection

Example: I used to think... things are just things. Now I think... we choose materials because of their properties.

⬅️ I used to think...

➡️ Now I think...

How do I feel about this unit? Circle one.

🚜 How We Organize Ourselves: From Farm to Table

Our big idea: Many people work together to bring food from the farm to my plate.

Central idea: Food travels through a system of people and jobs before it reaches our table.

Lines of inquiry

1. Where our food comes from (connection)
2. The jobs and steps that move food from farm to table (function)
3. How we can make responsible food choices (responsibility)

Key concepts: Connection · Function · Responsibility

Related concepts: Systems · Production · Interdependence

Learner profile: Knowledgeable · Caring · Thinkers

Approaches to learning: Research: tracing food labels · Social: running a pretend market · Thinking: ordering steps in a system

1 👀 Tuning In: The Journey of a Loaf

🌾 🚜 🏭 🚚 🛒 🍞

Put a loaf of bread, a bag of flour and some wheat on the table. Show photos of a farm in Qatar, a dairy farm (Baladna) and a supermarket.

Teacher prompt: Ask: How did this bread get here? Who helped? How many jobs can you think of?

See – Think – Wonder 🐄 ➡️ 🥛 ➡️ 🧀

👀 What do you see in these pictures?

I see...

💭 What do you think happens between each picture?

I think...

🤔 What do you wonder about where food comes from?

I wonder...

❓ Curiosity questions: tick the ones you wonder about too

- [ ] How does milk get from a cow to a carton?
- [ ] Where do bananas grow?
- [ ] How do farmers grow food in the desert?
- [ ] Why do some foods come on planes?
- [ ] Who decides the price of food?
- [ ] How do dates grow on palm trees?
- [ ] Why must some food stay cold?
- [ ] How much food is thrown away?
- [ ] What jobs are there in a supermarket?
- [ ] How do fishermen catch fish in Qatar?

💬 My own question

Starters: I wonder why… · I wonder how… · What if…? · How do we know…?

---

2 🔍 Finding Out: picture words

farmer
The farmer grows crops.

crop
Wheat is a crop.

harvest
We harvest dates in summer.

factory
The factory makes flour into bread.

truck
A truck takes food to the shops.

market
We buy vegetables at the market.

dairy
Milk and cheese are dairy foods.

greenhouse
Tomatoes grow in a greenhouse in Qatar.

import
Qatar imports food from other countries.

label
The label tells us where food is from.

waste
We try not to waste food.

fresh
Fresh food is picked recently.

🧺 Sort it: Does this food come from a plant or an animal?

Write or draw each item in the right column.

🍅 tomato · 🍞 bread · 🥛 milk · 🐟 fish · 🍗 chicken · 🧀 cheese · 🌴 dates · 🍚 rice · 🍯 honey · 🥔 potato

🌱 From a plant	🐄 From an animal

👍 True or false? Circle one.

🍞 Bread is made from wheat.	True	False
🥛 Milk comes from trees.	True	False
👫 Many people help bring food to the shop.	True	False
🍅 Qatar grows some vegetables in greenhouses.	True	False
🛒 All our food comes from the supermarket only.	True	False
❄️ Some food must be kept cold.	True	False
🍯 Honey is made by cows.	True	False
🏷️ Food labels can show where food is from.	True	False

🔢 Put in order: Wheat to bread. Number the boxes.

☐ 🏭 Mill makes flour

☐ 👩‍🍳 Baker bakes bread

☐ 🌾 Farmer grows wheat

☐ 🍞 We buy and eat it

🔎 Count and observe

How many bundles of wheat?

Answer: ☐

How many cows?

Answer: ☐

🖍️ Draw and label: Draw the journey of one food from farm to table. Label each step.

Word bank: farm | farmer | factory | truck | shop | table

✍️ Think and write

Name three people who helped make your lunch.

What would happen if truck drivers stopped working?

3 🧩 Sorting Out: Food Journey Flow Chart

Choose a job. Then write it under the step of the food journey.

👩‍🌾 farmer · 🎣 fisherman · 👨‍🍳 baker · 🏭 factory worker · 🚚 truck driver · 🚢 ship captain · 💳 cashier · 🧺 market seller

🌱 Grow	🏭 Make	🚚 Move	🛒 Sell

💡 The big idea in my own words

4 🤝 Taking Action: Food Heroes

- [ ] 🍱 Finish my lunch or save it for later.
- [ ] 🏷️ Read three food labels at home and find the country.
- [ ] 🌿 Grow herbs or beans in a pot.
- [ ] 💌 Thank the canteen staff.
- [ ] 📝 Help plan a shopping list with my family.
- [ ] 🛒 Set up a class pretend market.

My plan: I will…

Where? ☐ 🏠 Home ☐ 🏫 School ☐ 🌳 Community

Draw yourself taking action.

🏠 **Home link:** Look at food labels at home. Which countries does your food come from?

5 🪞 Reflection

Example: I used to think... food comes from the shop. Now I think... food comes from farms and many people help it reach us.

⬅️ I used to think...

➡️ Now I think...

🐫 Sharing the Planet: Animal Habitats

Our big idea: Animals live in habitats. Their bodies help them live there.

Central idea: Animals live in habitats that give them what they need, and their bodies are suited to where they live.

Lines of inquiry

1. Different habitats around the world (form)
2. How animals' bodies help them survive in their habitat (function)
3. How people can protect habitats (responsibility)

Key concepts: Form · Function · Responsibility

Related concepts: Habitat · Adaptation · Survival

Learner profile: Inquirers · Caring · Knowledgeable

Approaches to learning: Research: finding facts in picture books · Thinking: comparing two habitats · Communication: presenting an animal fact file

1 👀 Tuning In: Animals in the Wrong Home

🏜️ 🌊 🧊 🌳 🐫 🐠 🐧 🐒

Show a picture of a penguin in the desert and a camel on the ice. Something is wrong! Display four habitat mats: desert, ocean, polar and rainforest.

Teacher prompt: Ask: What is wrong with these pictures? Why can a camel live in the desert but a penguin cannot?

See – Think – Wonder 🐫 🏜️ ☀️ 🌵

👀 What do you see about the camel and its home?

I see...

💭 What do you think helps the camel live there?

I think...

🤔 What do you wonder about animals and their homes?

I wonder...

❓ Curiosity questions: tick the ones you wonder about too

- [ ] How long can a camel go without water?
- [ ] How do fish breathe underwater?
- [ ] Where do sea turtles go after they hatch?
- [ ] Why do desert foxes have big ears?
- [ ] Do dugongs live near Qatar?
- [ ] Why do polar bears have white fur?
- [ ] Why do some animals sleep in the day?
- [ ] How does a monkey's tail help it?
- [ ] What happens when a habitat is destroyed?
- [ ] How do birds know where to fly in winter?

💬 My own question

Starters: I wonder why… · I wonder how… · What if…? · How do we know…?

---

2 🔍 Finding Out: picture words

habitat
A habitat is where an animal lives.

desert
The desert is hot and dry.

ocean
Whales live in the ocean.

polar
Polar places are very cold.

rainforest
The rainforest is hot and wet.

camel
A camel stores fat in its hump.

penguin
A penguin swims in icy water.

fur
Thick fur keeps the polar bear warm.

gills
Fish breathe with gills.

nocturnal
Nocturnal animals are awake at night.

endangered
Endangered animals need our help.

dugong
Dugongs eat seagrass in the Gulf near Qatar.

🧺 Sort it: Does this animal live on land or in water?

Write or draw each item in the right column.

🦁 lion · 🐒 monkey · 🦈 whale shark · 🪼 jellyfish · 🐠 clownfish · 🐙 octopus · 🦌 oryx · 🐪 camel · 🦭 dugong · 🦅 falcon

🏜️ Mostly on land	🌊 Mostly in water

👍 True or false? Circle one.

🏞️ A habitat gives animals food, water and shelter.	True	False
🐧 Penguins live in hot deserts.	True	False
🐪 Camels can go many days without drinking.	True	False
🐟 Fish breathe with lungs like us.	True	False
🦉 Owls are nocturnal.	True	False
🦈 Whale sharks visit the sea near Qatar.	True	False
🐢 Litter in the sea can hurt turtles.	True	False
🐻‍❄️ Polar bears have thin fur.	True	False

🔢 Put in order: A sea turtle's life. Number the boxes.

☐ 🐣 Babies hatch

☐ 🌊 Race to the sea

☐ 🥚 Eggs on the beach

☐ 🐢 Grow into adults

🔎 Count and observe

How many fish on the reef?

Answer: ☐

How many penguins?

Answer: ☐

🖍️ Draw and label: Draw an animal in its habitat. Label how its body helps it.

Word bank: fur | fins | gills | hump | big ears | claws | wings | tail

✍️ Think and write

How does a camel's body help it live in the desert?

Compare the desert and the ocean. How are they different?

3 🧩 Sorting Out: Habitat Sorting Mat

Choose an animal. Then write it under its habitat.

🐫 camel · 🦂 scorpion · 🐋 whale · 🦀 crab · 🐻‍❄️ polar bear · 🐧 penguin · 🦜 parrot · 🦥 sloth

🏜️ Desert	🌊 Ocean	🧊 Polar	🌳 Rainforest

💡 The big idea in my own words

4 🤝 Taking Action: Habitat Helpers

- [ ] 🏖️ Join a beach clean-up with my family.
- [ ] 🐦 Make a bird bath for our school garden.
- [ ] 🐢 Make a poster: Keep turtle beaches clean.
- [ ] 🧴 Use a reusable bottle instead of plastic.
- [ ] 📋 Share an animal fact file with another class.
- [ ] 🌱 Plant a native plant at school.

My plan: I will…

_____

_____

Where? ☐ 🏠 Home ☐ 🏫 School ☐ 🌳 Community

Draw yourself taking action.

🏠 **Home link:** Find an animal near your home (a bird, a cat, an insect). What is its habitat?

5 🪞 Reflection

Example: I used to think... animals can live anywhere. Now I think... animals' bodies are suited to their own habitat.

⬅️ I used to think...

➡️ Now I think...

How do I feel about this unit? Circle one.
