📒 PYP Workbook

Year 1 · Ages 5–6

Six transdisciplinary themes · Tuning In · Finding Out · Sorting Out · Taking Action · Reflection · Exit Cards

Name: _____

Class: _____

School: _____

Aligned with the IB PYP framework. Independent teacher resource, not official IB material.
Part of Letter Adventure – PYP Edition (Years 1–4).

👩‍🏫 Teacher Notes · Year 1

Learner focus (Ages 5–6): Picture words, very short sentences, tap and draw.

How to use this workbook. Each theme follows the inquiry cycle: **1 Tuning In** (provocation, See–Think–Wonder, curiosity questions) → **2 Finding Out** (picture words, sorting, true/false, sequencing, counting, draw and label) → **3 Sorting Out** (graphic organiser and the big idea) → **4 Taking Action** (a small real action at home or school) → **5 Reflection** (I used to think... now I think..., feelings, learner profile) → **6 Exit Card** (3-2-1, quick checks, confidence rating; three different cut-out versions). The interactive app version reshuffles questions every time (🔀 New questions) and saves exit-card results per student for the teacher dashboard. Read every prompt aloud for English learners; accept drawn, spoken or written answers.

Theme and unit	Central idea	Key concepts	Teaching notes and assessment
🧒 **Who We Are** All About Me: My Body, My Senses, My Feelings	Knowing our bodies, senses and feelings helps us take care of ourselves and others.	Function, Perspective, Responsibility	Start a class Wonder Wall. Add sticky notes all unit. Use a feelings check-in every morning (emoji faces). Invite the school nurse to talk about healthy habits. Assessment: observe children naming the five senses and two feelings.
🏠 **Where We Are in Place and Time** Homes and Families: Then and Now	Homes and family life change over time and are different in different places.	Form, Change, Causation	Invite a grandparent to share how life was in Qatar long ago. Visit the National Museum of Qatar or a local heritage village if possible. Build a class timeline with family photos (then and now). Assessment: children sort pictures into then and now and explain one change.
🎨 **How We Express Ourselves** Stories, Art and Celebrations	People share feelings, ideas and culture through stories, art, music and celebrations.	Form, Connection, Perspective	Link to class celebrations: Eid, Qatar National Day (18 December), Garangao and children's own festivals. Set up a story corner with puppets and picture books from many cultures. Record children retelling a story with the 🔊 recorder to show progress. Assessment: children sequence a story and name one way to express a feeling.

☀️ **How the World Works** Weather Watchers	Weather changes, and these changes affect how living things live.	Change, Causation, Form	Keep a daily class weather chart and a simple thermometer outside. Do the ice-melt experiment in sun and shade. Children predict, observe and record. Talk about heat safety: water, hats and shade during Qatar summers. Assessment: children name four weather types and choose clothes for each.
🏫 **How We Organize Ourselves** Our School Community and Helpers	Communities work well when people have roles, follow agreements and help each other.	Function, Responsibility, Connection	Co-construct an essential agreement with the class in week 1. Interview school helpers: guard, cleaner, nurse, librarian, canteen staff. Rotate classroom jobs weekly so every child has a role. Assessment: children match three helpers to their tools and explain one rule.
🌱 **Sharing the Planet** Living Things Need Care	Living things have needs, and people can help take care of them.	Function, Change, Responsibility	Grow beans in clear cups. Children draw changes in a plant diary each week. Visit a school garden, a farm, or the mangroves at Al Thakhira if possible. Set up class recycling bins with picture labels. Assessment: children sort living and non-living things and name three needs.

Aligned with the IB PYP framework. Independent teacher resource, not official IB material.

🧒 Who We Are: All About Me: My Body, My Senses, My Feelings

Our big idea: I learn about my body and my feelings. Then I can take care of me and my friends.

Central idea: Knowing our bodies, senses and feelings helps us take care of ourselves and others.

Lines of inquiry

1. How our senses help us learn about the world (function)
2. How we show and name our feelings (perspective)
3. How healthy choices help our bodies grow (responsibility)

Key concepts: Function · Perspective · Responsibility

Related concepts: Identity · Wellbeing · Growth

Learner profile: Caring · Balanced · Communicators

Approaches to learning: Self-management: healthy habits · Social: taking turns and listening · Communication: naming feelings

1 👀 Tuning In: The Mystery Bag

🪞🧒👀👂👃👅✋

A closed bag sits on the mat. Inside are an orange, a bell, a soft toy and a date. Children feel, smell and listen. They cannot look!

Teacher prompt: Ask: Which body part helped you guess? Record every idea on a class Wonder Wall. Do not give answers yet.

🏫 How We Organize Ourselves: Our School Community and Helpers

Our big idea: In a community, people have jobs and rules. We help each other.
Central idea: Communities work well when people have roles, follow agreements and help each other.

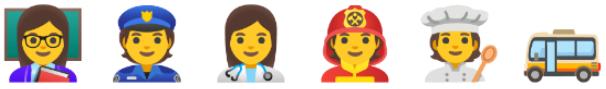

Lines of inquiry

1. Who works in our school and community (function)
2. Why we make rules and agreements (responsibility)
3. How people work together to help us (connection)

Key concepts: Function · Responsibility · Connection
Related concepts: Roles · Rules · Cooperation
Learner profile: Principled · Caring · Communicators

Approaches to learning: Social: cooperating in a group · Self-management: following routines · Communication: interviewing a helper

1 👀 Tuning In: Who Left These Clues?

Hide clues around the classroom: a stethoscope, a chef hat, a bus ticket, a whistle and a library book. Each clue belongs to a helper in our school or city.
Teacher prompt: Ask: Who uses this? How do they help us? What would happen if nobody did this job?

See – Think – Wonder 🏫 🚸 👫 📚 🍎

👀 What do you see at this school?	💭 What do you think each person's job is?	🤔 What do you wonder about how a school works?
